1. Organization moment: (3 minutes)

Good afternoon, dear listeners! I'm glad to see you here. Today we have an open lesson. The theme of the lesson is "Welcome to Great Britain". There are groups of the beginner and Pre – Intermediate. Let's begin introduction. I will pass you a sunshine and you must say your names and wishes. For example: My name is.... I wish you ... You may say in Kazakh, Russian and English. Let's begin...

Let's watch a video about «Welcome to Great Britain!»

Teacher:

Ең бірінші бақытым – Халқым менің,

Соған берем ойымның алтын кенін.

Ол бар болса, мен бармын, қор болмаймын;

Қымбатырақ алтыннан нарқым менің.

5. Ал, екінші бақытым – Тілім менің,

Тас жүректі тіліммен тілімдедім.

Кей-кейде дүниеден түңілсем де,

Қасиетті тілімнен түңілмедім.

"Welcome to Great Britain!" Today we will make a tour around Great Britain. We congratulate you with the holiday of languages! Nowadays it is very important to learn three languages: Kazakh, Russian and English. As you know there about 3 thousand languages in the world.

The United Kingdom of Great Britain and Northern Ireland is situated on the British Isles. The British Isles consist of two large islands, Great Britain and Ireland, and about five thousand small islands. Their total area is over 244 000 square kilometres. The United Kingdom is one of the world's smaller countries. Its population is over 60 million. About 80 percent of the population is urban. The United Kingdom is divided into England, Wales, Scotland, and Northern Ireland. The capital of the UK is London.

London is the capital of Great Britain, its political, economic and cultural centre. It's one of the largest cities in the world. Its population is more than 9 million people. London is situated on the river Thames.

London is an ancient city. There are four parts in London: West End, East End, the City and Westminster.

On the highest tower there is the largest clock in the country, Big Ben. Big Ben strikes every quarter of an hour.

West End is the richest part of London. It is full of luxury hotels, super-markets, cinemas and concert-halls. In the centre of the West End the Trafalgar Square is situated with the famous statue of Lord Nelson. To the east of Westminster is East End, an industrial district of the capital. Most of plants and factories are situated there.

The UK is a highly developed industrial country. It produces and exports machinery, electronics, textiles. One of the chief industries of the country is shipbuilding.

The UK is a constitutional monarchy with a parliament and the Queen as Head of State.

The formal name of the British national flag is Union Flag, but it is commonly known as the Union Jack. The most popular ingredients in England are steaks, sandwiches, hot dogs.

English is the most widespread. It is the official language in many countries. It is the official language of Great Britain and Northern Ireland, of the USA, of Australia and New Zealand. English is used as one of the official languages in Canada, in the Irish Republic and the Republic of South Africa. It is also spoken as a second language in many parts of India and Africa. English is now dominant or official language in more than 60 countries in the world. It is a language of Internet and it has become the language of business, politics, science, communication.

Great Britain is divided into four parts. They are: Scotland, Wales, England and Northern Ireland. Great Britain's capital is London.

Scotland is rather large country. Its capital is Edinburgh.

Its capital is Cardiff.

England is the largest city. Its capital is London too.

Northern Ireland is the smaller of four countries. Its capital is Belfast.
